PRECONTRACT APPROVAL RECORD (PART TWO)	CONTRACT
<p>The services and equipment being procured by this Contract No. _____ PNL-90 are in furtherance of the National Defense Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.</p> <p>Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.</p> <p>The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:</p> <p>Contract No. PNL-90 provided for professional services of the Perkin-Elmer organization for participation in a scientific panel comprised of representatives of the Government, educational institutions, and other commercial organizations to study photographic resolution enhancement.</p> <p>Services performed by the Contractor under the contract were satisfactory and an audit of cost incurred by the Contractor has been made. Total payment in the amount of \$22,098.68 is therefore approved under this contract.</p> <p>In the performance of the contract no inventions were made, no royalties were paid and no property chargeable to the Government was acquired.</p> <p>A copy of the final audit report is attached.</p> <div data-bbox="735 1524 1260 1810" style="border: 1px solid black; height: 136px; width: 323px; margin: 20px auto;"></div>
